

TILERA CORPORATION
SOFTWARE AGREEMENT

IMPORTANT - READ BEFORE COPYING, INSTALLING OR USING.

DO NOT USE OR LOAD THIS SOFTWARE ("Software") UNTIL YOU HAVE CAREFULLY READ THE FOLLOWING TERMS AND CONDITIONS. BY LOADING OR USING THE SOFTWARE, YOU AS AN INDIVIDUAL AND ON BEHALF OF YOUR EMPLOYER ("Recipient") AGREE TO THE TERMS OF THIS LICENSE AGREEMENT ("Agreement").

IF YOU DO NOT WISH TO SO AGREE, DO NOT INSTALL OR USE THE SOFTWARE.

This Agreement is made and entered into by the Recipient and Tiler Corporation ("Tiler"), a Delaware corporation having a principal place of business 2700 Zanker Road, San Jose, California 95134 USA. The purpose of this Agreement is to allow Recipient to use Tiler's Software with Tiler's products only.

Definitions.

- (a) "Recipient's Hardware Product" means: a hardware product of Recipient that includes Tiler's Processors.
- (b) "Development Tools" means the Integrated Development Environment, compiler, linker, assembler, debugger, profiler and other software tools identified as Development Tools in Exhibit A and related documentation, and includes any updates and/or upgrades to such software provided to Recipient by Tiler under the terms of this Agreement.
- (c) "Simulator" means any simulators for the Tiler processors and associated technical documentation and includes any updates and/or upgrades to such software provided to Recipient by Tiler under the terms of this Agreement.
- (d) "Runtime Software" means the software libraries including Hypervisor, operating system, drivers, TMC, NetIO, diagnostic code, reference applications and example code identified as Runtime Software in Exhibit A and related documentation, and includes any updates and/or upgrades to such software provided to Recipient by Tiler under the terms of this Agreement.
- (e) "Software" means the Development Tools, Simulator, and Runtime Software..

1. License Grant. Subject to the terms of this Agreement and including all restrictions below and subject to Recipient's payment of the license fees charged by Tiler for the Software, Tiler grants to Recipient a non-exclusive, non-transferable, non-sublicensable, royalty-free licenses to distribute and internally use the Software as set forth in Sections 1, 2 and 3. The license granted in this Section is subject to the third party software licenses and requirements as detailed in Section 4 (Third Party Software) below, and the license granted herein shall not apply to any third party software that is subject to a separate third party software license. Recipient (a) shall not copy the Software, except for the purpose of using the Software on its own system(s) and for its internal archive or emergency restart purposes; (b) shall not disclose, provide, transfer or otherwise make available the Software or documentation, or any portion thereof, to any person other than Recipient or its employees or independent contractors without the prior written consent of Tiler; (c) shall not perform any reverse compiling or reverse engineering of the Software; and (d) shall take the same measures it customarily utilizes to protect the confidential nature of its own proprietary data to protect the confidential nature of such Software.

2. Limitations of Use. Recipient acknowledges that the Software includes commercially valuable, substantial trade secrets of Tiler which are being entrusted to Recipient in confidence and agrees to use the Software internally only and only for the purpose of use with Recipient's Hardware Product only, and Recipient agrees not to disclose the Software to any third party except as expressly authorized herein. Recipient further agrees that any disclosure or distribution of the Software that is authorized herein (whether to a Recipient employee or an authorized third party) shall be done subject to a written obligation of confidentiality. Recipient acknowledges and agrees that any use of the Software to develop code for a semiconductor device not manufactured by or for Tiler is a material breach of this Agreement and Recipient therefore receives no right hereunder to do so.

3. Distribution Restrictions. Recipient may only distribute the Runtime Software and Development Tools as part of Recipient's Hardware Product to End Users as follows : An "End User" is a party that is being provided Recipient's Hardware Product for its own use, and not for the purpose of further distribution, resale, or furnishing Recipient's Hardware Product to a third party. Recipient may distribute the Runtime Software to End Users as part of Recipient's Hardware Product subject to the condition that each End User enters into a written agreement (enforceable "shrink-wrap" or "click to accept" licenses are permissible) that (i) prohibits copying and distribution of the Runtime Software; and (ii) prohibits use of the Runtime Software except with Recipient's Hardware Product; and (iii) includes terms that are at least as protective of Tiler a as the terms and conditions specified in this Agreement. Recipient may NOT redistribute the Simulator under any circumstance..

Distribution of the Software is subject to the following conditions: (i) Recipient is solely responsible to Recipient's direct or indirect customers, distributors, sub-distributors and End Users for any warranty, update or support obligations or other liability which Recipient provides or which may arise from Recipient's distribution of the Software hereunder, (ii) Recipient shall not make any statement that Recipient's Hardware Product is "certified" or otherwise endorsed, or that its performance is guaranteed, by Tiler a, (iii) Recipient shall not use Tiler a's name or trademarks to market Recipient's Hardware Product without Tiler a's written permission, and (iv) Recipient shall indemnify, hold harmless, and defend Tiler a (including all of its officers, employees, directors, subsidiaries, representatives, affiliates and agents) and Tiler a's suppliers and licensors from and against any claims or lawsuits, including attorney's fees and expenses, that arise or result from distribution of Recipient's Hardware Products or the Software pursuant to this Agreement.

4. Third Party Software. All third party software (e.g. - drivers, utilities, operating system components, libraries, tools, etc.) which may be distributed with or as part of the Software hereunder will be subject to the terms and conditions of any third party licenses which may be supplied with such third party software or in the end user documentation, and installation, use and/or further distribution by Recipient or Recipient's licensee will be subject to such third party licenses. Some third party software and some of the Software components may be subject to open source license provisions, and installation, use and/or further distribution by Recipient or Recipient's licensee of such third party software and Software components are subject to the respective open source license under which it is provided. The license agreement for each software component is located in the software component's source code and permits User to run, copy, modify, and redistribute (subject to certain obligations in some cases) the software component, in both source code and binary code forms. This agreement does not limit User's rights under, or grant User rights that supersede, the license terms of any particular third party software. Tiler a expressly disclaims liability of any kind with respect to installation, use or distribution by Recipient of third party software.

5. Intellectual Property Rights. The Software and all information relating thereto, regardless of its type of form, remain the property of Tiler a. The title and all applicable rights in patents, patent applications, copyrights, trademarks, trade secrets and other intellectual property rights in the Software, and information relating to the Software including any documentation, shall be and will remain in Tiler a. This Agreement and the rights granted hereunder are personal to Recipient and may not be assigned or otherwise transferred by Recipient, by operation of law or otherwise, without the prior written consent of Tiler a, and any change of control of Recipient shall constitute an assignment hereunder.

Any modifications made by licensee shall remain property of Licensee. Tiler a shall have no liability incidental or otherwise for the changes made by licensee. Any code modifications submitted back to Tiler a shall become property of Tiler a Corp and may be included in subsequent versions of the software with no financial or other obligations to the licensee.

6. Marketing. Recipient will provide Tiler a with an advance copy of any written publication or public presentation related to the use of the Software at least one month prior to submission. Any publication or public presentation related to the use of the Software must be approved in writing by Tiler a. At no time may comparison with other solutions (semiconductor or software) be made or authorized by Recipient without prior written consent obtained from Tiler a. Recipient agrees to reasonably consider joint marketing activities with Tiler a,

including press releases, quotes for a Tilera press release, and other related PR activity, which will be done only upon written approval of both parties.

7. Term and Termination. Tilera may terminate this Agreement if the Recipient materially breaches this Agreement, and fails to fully cure such breach within Fifteen (15) days after notice of such breach is received by the Recipient. Upon termination, Recipient will immediately destroy the Software or return all copies of the Software to Tilera and all rights hereunder shall immediately terminate.

8. No Other Rights. ALL MATERIALS PROVIDED UNDER THIS AGREEMENT ARE DELIVERED TO, AND ACCEPTED BY RECIPIENT "AS IS". NO WARRANTIES ARE GIVEN, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT AND TITLE. RECIPIENT SHALL HAVE THE SOLE RESPONSIBILITY FOR THE ADEQUATE PROTECTION AND BACK-UP OF ITS DATA USED IN CONNECTION WITH THE SOFTWARE PROVIDED HEREUNDER. YOU ACKNOWLEDGE AND AGREE THAT THE LICENSED MATERIALS HAVE NOT BEEN TESTED OR CERTIFIED BY ANY GOVERNMENT AGENCY OR INDUSTRY REGULATORY ORGANIZATION OR ANY OTHER THIRD PARTY ORGANIZATION. YOU AGREE THAT PRIOR TO USING, INCORPORATING OR DISTRIBUTING THE LICENSED MATERIALS IN OR WITH ANY COMMERCIAL PRODUCT THAT YOU WILL THOROUGHLY TEST THE PRODUCT AND THE FUNCTIONALITY OF THE LICENSED MATERIALS IN OR WITH THAT PRODUCT AND BE SOLELY RESPONSIBLE FOR ANY PROBLEMS OR FAILURES. IN NO EVENT WILL TILERA BE LIABLE FOR ANY CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING LOSS OF DATA OR USE, LOST PROFITS OR ANY INCIDENTAL OR SPECIAL DAMAGES, ARISING OUT OF OR IN CONNECTION WITH THIS LICENSE OR THE USE OR PERFORMANCE OF THE SOFTWARE, WHETHER IN ACTION OF CONTRACT OR TORT, INCLUDING NEGLIGENCE. TILERA FURTHER DISCLAIMS ANY LIABILITY WHATSOEVER FOR INFRINGEMENT OF ANY INTELLECTUAL PROPERTY RIGHTS OF ANY THIRD PARTY.

9. Open Source Software Restrictions. Unless expressly permitted elsewhere in this license, Recipient may not combine or distribute the Software with Open Source Software (as defined below) or with software developed using Open Source Software (e.g., tools) in a manner that subjects Tilera or any portion of the Software provided by Tilera hereunder to any license obligations of such Open Source Software. "Open Source Software" means any software licensed under terms requiring that other software combined or distributed with such software: (i) be disclosed or distributed in source code form; or (ii) be licensed on terms inconsistent with the terms of this Agreement.

10. Support and Maintenance. Tilera has no obligation to support the Software under this Agreement. Any support provided will be based on best effort.

11. Subcontractors. Recipient may provide access to the Software to subcontractors who perform work solely on Recipient's behalf, provided that: (i) Recipient will be liable for any breach of this Agreement by such subcontractors; and (ii) such subcontractors must agree in writing that they are subject to the terms of this Agreement, that they may use the Software solely as necessary to perform their work for Recipient, and they retain no license rights or other rights hereunder once they have discontinued their performance of work on Recipient's behalf.

12. Entire Agreement. This Agreement constitutes the entire Agreement between Recipient and Tilera and supersedes any other oral or written agreements related to this subject matter. This Agreement shall be governed by and interpreted in accordance with the laws of the State of California, excluding its choice of law rules.

EXHIBIT A – Software components

Development Tools:

- GNU Compiler
- Assembler
- Linker
- Simulator
- Debugger
- Profiler
- Integrated Development Environment

Runtime Software:

- Hypervisor
- Operating System
- Device drivers
- Standard 'C' Library
- Tilera Media Library
- iLib libraries
- Tile/Tilera Multicore Components (TMC) libraries
- Bare Metal Environment components (BME)
- NetIO Library
- tile-monitor
- tile-console
- tile-diag
- Miscellaneous C libraries for performance improvements
- Other packages distributed in the MDE and not part of the Proprietary Development Tools
- Examples
- Reference applications including any application level code distributed by Tilera
